SUPERVISED EXPERIENCE

Experience requirements

CERTIFICATION	SUPERVISED EXPERIENCE	DIRECT TREATMENT
CGAC I	500 hours	100 hours minimum
CGAC II	2,000 hours	100 hours minimum

A majority of experience hours must be in the Clinical domain. The 100 direct-treatment hours are part of the experience total and must involve treatment of people with problem / disordered gambling and their significant others.

Complete one verification for each gambling program or supervisor. Experience may include clinical services, documentation, administrative work, and client advocacy. Six full-time months equals approximately 1,000 experience hours.
