

Supervised Experience Requirements

CGAC I: 500 Hours of Supervised Experience in the Gambling Addiction Counselor Domains.

CGAC II: 2,000 Hours of Supervised Experience in the Gambling Addiction Counselor Domains.

Experience may include any gambling specific counseling services rendered in the Four Domains; Clinical, Documentation, Administrative and Client Advocacy. (6 Full Time Months = 1,000 experience hours).

You must also include a minimum of 100 hours as a gambling counselor delivering direct treatment to problem/disordered gambler and significant others.

Make as many copies of this form as you need to document the minimum of hours. You will most likely need one form for each gambling program you have worked in.

Approximate the number of hours in each category of the Gambling Addiction Counselor Domains. You must present a majority of hours in the Clinical Domain.

Candidate Name (print)
Name of Gambling Addiction Program or Agency/Practice where services were provided.
Name & Title of your supervisor (print)
